

# Spay Today-Keep the Litters Away! Campaign

Project #

22-7019

County: Maryland

Number of Cats Spayed: 28

Number of Dogs Spayed: 50

Number of Cats Neutered: 24

Number of Dogs Neutered: 50

Amount Received: \$15,109.20

Amount Remaining (to be returned to MDA): \$0.00

## Project Synopsis:

The Prince George's County Animal Services Division provided free spay/neuter surgeries and rabies shots to 152 pet cats and dogs located in targeted low-income/high poverty areas in the County.

Maryland Department of Agriculture  
Spay and Neuter Grants Program

## **Project Description:**

Prince George's County Animal Services Division continued our spay and neuter campaign efforts to alter pets in targeted low income/high poverty areas of the County in an attempt to decrease the intake and euthanasia rate of animals at our facility. This was possible through a partnership with The Spay Spot, a low-cost spay/neuter clinic operated by Last Chance Animal Rescue Inc. and located in our facility.

## **Summary of Approach:**

ASD conducted outreach campaigns through direct contact, databases and social media, reaching municipalities, civic associations, social service organizations, and private citizens. Our Animal Control Officers distributed flyers to pet owners in the targeted areas.

## **Accomplishments:**

As a result of the grant, the Prince George's County Animal Services Division provided a free spay/neuter surgery and free rabies shot to 152 pet cats and dogs in the County. It also made pet owners in the County aware of available low-cost spay/neuter services.

Maryland Department of Agriculture  
Spay and Neuter Grants Program

## **Lessons Learned:**

We will conduct weekly meetings to review balance sheets of the number of surgeries performed and remaining surgeries available by species and sex to keep within the guidelines of the approved grant.
